

ACKNOWLEDGMENT

The Board of Directors of the INTERNATIONAL JOURNAL OF LEPROSY gratefully acknowledges the financial assistance from special grantors and sustaining members which, with the special donations of certain members, has made possible the continuation of publication of the JOURNAL directly by the International Leprosy Association. Without this assistance the official organ of the ILA, so essential to leprosy workers everywhere, could not be published.

New Benefit for Our Readers: Free Access to UnCover Data Base and Discount on Document Delivery

THE INTERNATIONAL JOURNAL OF LEPROSY recently arranged with the UnCover Company to provide to our readers free on-line searching of the UnCover data base of periodical tables of contents. In addition, users of this special service can order delivery of full text of articles from UnCover at the lowest available document delivery fee. Normally, only UnCover subscribers who pay an annual access fee (currently \$900) are eligible for the lowest document delivery fee.

This new service is known as *Access to UnCover*. To use this service, researchers need only access the Internet and Telnet to the *Access to UnCover* Address: allen.carl.org. At the prompt, they enter the Password DELIVER.

The UnCover data base contains tables of contents of over 15,000 scholarly journals. Searches can be made by title, key word or by author. Copies of full text of articles can then be ordered on-line; they are delivered via fax, usually within 24 hr. Payment for document delivery is made either by credit card or through a deposit account.

We have made this arrangement with UnCover because it provides our readers with a convenient and inexpensive way to take advantage of the new on-line searching technologies in their research.
